

Congratulations for downloading "Doug Champigny's Massive Traffic Bootcamp!".

License Information: Please Remember You DO NOT Have The Right To Resell The Massive Traffic Bootcamp - just the individual products within it, each according to the terms accompanying that product. Consult the Rights License inside each Product zip before putting them online!

You may not use the graphics or copy from the TopTrafficTips.com website to promote these products. Each has it's own salespage and graphics within it's zip file.

If you wish to promote the entire MASSIVE TRAFFIC BOOTCAMP, please join our affiliate program [here](#). You will earn 50% of every sale you refer, making it quite easy to be making a profit on your purchase quickly.

To open the files contained in this folder you will need a program to unzip them. We recommend [WinRar](#).

Be sure to upload the files and point your download page to the copy on YOUR WEBSITE - DO NOT link to our download page as we change them regularly to protect our bandwidth. If you need a good place to host your reseller site(s), we recommend <http://www.Hosting4Marketers.com>. We host many of our sites there, and are quite happy with their service and facilities.

If you have any questions about your rights to this product, please don't hesitate to contact us through <http://www.ChampignyWeb.com>

To Your Success Online,

Doug & Teri Champigny.

PS - if you require more info on reselling your Master Resell Rights products, we recommend you check out [The Resell Rights Bootcamp](#) and the [Becoming A Resale Magnate](#) e-book. Also, be sure to see the information posted regularly on the [Internet Marketing Blog](#).

All the best, D&T.
